Supplier: TELGO AG, Route d'Englisberg 11  
CH-1763 Granges-Paccot  
Product: DE 331

This product is intended for connection to analogue PSTN lines within Switzerland.  
However, due to differences between the individual PSTNs provided in the different countries,  
the approval does not, of itself, give an unconditional assurance of successful operation on  
every PSTN network termination point.
